Brilliance returns for 2009 to celebrate Coutts London Jewellery Week, showcasing exceptional contemporary jewellery designers at Craft Central.

At the forefront of their discipline, the Brilliance designers will be chosen for the original and innovative nature of their outstanding handmade jewellery. Craft Central will unveil a stunning **selling exhibition** featuring these shining jewellery talents at its central London gallery. There will also be a chance to mingle with the designers, at an exclusive **Meet the Maker event**.

Visitors will also be thoroughly spoilt with an intriguing 'behind the scenes' opportunity. Selected designers' studios will be open to the public during special **jewellery tours** around Craft Central's two buildings. An exclusive chance to go back to the roots of making and discover the fascinating processes! So, having taken advantage of the remarkable work on display - whether selecting a unique gift, treating yourself or simply browsing in the spirit of Jewellery Week - the experience will be topped off by meeting the maker.

The selected jewellery designers will be announced imminently. Further information, a detailed Press Release and high quality visuals will then be available from:
